

Spellings: as normal. Keep moving on a week. Practice saying and spelling the words each day.

Writing: as normal. Write 4 sentences each day based on spellings to reinforce the meaning of the words.

Maths: Practical work (Addition and subtraction).
Example: how many chairs are in the house? How many tables? What's the difference?

Example: How many forks do I need? How many knives?
How many altogether?

Time: What time is it?

What time will it be in half an hour/an hour's time?

Card games such as snap.

Reading: Choose one book each week. Focus on the characters and setting of the story. When story is read write a book report, who? Where? What? When? Why?

You can access free online books at:

<https://home.oxfordowl.co.uk/>

Alternative:

Daily exercise: 30 second plank. 30 jumping jacks. How many knees up's can you do in a minute? Run on the spot for 30 seconds.

Make rice crispie buns.

Make a lego house.

Go on a Spring walk. Notice the trees, plants, animals.

Time capsule: As the children live through history, have them record what life is like without school. Record newspaper clippings, photos etc.

Choose a country, research facts about the country, What they eat, their traditions, the flag, etc.
