Dear Parents,

We could never have known when we met you a week ago that all of our lives would be turned upside down like this.

We can only hope that you are all doing well and managing.

With regard to your child, we do not expect you to home school your child as I'm sure you will all have many other worries and stresses at this time.

We are just going to come up with some very basic **ideas** (please remember that is all they are) on how you might begin to put something in place for your child if you wish.

If you wish to collect your child's book basket please email oifig@greenmount.ie and this will be arranged for you. **Please only do one page per book per day.**

If you wish to get more specific help from us please email us on mahern@greenmount.ie and aoconnor@greenmount.ie and we will try and answer your queries.

We will send you a more detailed plan of work after the Easter holidays if the closure continues.

Until then, please say a huge hello to our students and let them know we are thinking of them all and missing them.

For now, take good care,

Aine and Maureen.
