

14th April, 2020

Dear Parent/Guardian,

As you are aware, we organised the delivery of food hampers to children in the school instead of school lunches. Deliveries were sent to the families that requested them. These packages include, for example, bread, fruit, rice, pasta, cereal, tins of beans, etc.

We are currently organising our next delivery. If you received your first delivery, we will continue to deliver to you. If you haven't opted in to this service but would now like to, please email your request to oifig@greenmount.ie **by tomorrow at 1pm, Wednesday April 15th.**

Please include your **name**, delivery **address** and **Eircode** to which we can send the package.

For organisational and maximum social distancing reasons, if you wish to receive a delivery, the school may share your name and postal delivery address with the lunch supplier so that they can label your package for delivery by An Post. If you do not wish your address to be shared with the lunch supplier, the school can make arrangements to label your package and send it through An Post. If this is an option you wish to avail of, please specify this in your email.

I hope you and your family are safe and well,

Finbarr Hurley
Principal
