

15<sup>th</sup> - 29<sup>th</sup> June

Hi everyone,

Here is the final list of work that you can complete over the next 2 weeks. It is hard to believe we are on our final two weeks...We hope you have enjoyed having a bit more freedom and have had a chance to see more family and friends. We have included a virtual school tour in this fortnights plan and as always we love to hear from and see some of the great work your child is doing so please send us pictures or samples of work if you would like to. With regard to returning school books, the only book that you need to return is the Folens Spellings and Tables book. The rest are yours to keep so you can continue to fill them in. Please don't hesitate to contact us if you have any questions about anything.

Take Care,

Ms.Kilgallon and Ms. Higgins
