

23<sup>rd</sup> June, 2020

Dear parents/guardians of Ms. Higgin's 1<sup>st</sup> Class,

We have yet to receive specifics from the Department of Education regarding children returning to school and how social distancing will apply to schools and classrooms. When Department guidelines issue over the summer it will allow us make a more concrete plan of action.

Due to Covid 19 restrictions, the school still has recruitment of teachers to carry out, which will happen in late July/early August. I will then be in a position to tell you the name of the teacher that will be teaching your child's 2<sup>nd</sup> class next year.

Kind regards,

*Finbar Hurley*

Principal
