

Hi,

It has come to our attention that twinkl are no longer giving free access! Here is some work you can do with your child to replace any work that you now cannot access.

Maths:

Click on the following link to test your problem solving skills, there are lots of different activities, try to do one a day!

<https://nrich.maths.org/9807>

Play some basketball and test your place value knowledge by playing this game:

<https://www.topmarks.co.uk/learning-to-count/place-value-basketball>

English Writing:

1. When I am famous...

"In the future, everyone will be famous for 15 minutes" - Andy Warhol

Discuss the above quote with the children, and talk about what it means to be famous. Would they like to be famous? What would they like to be famous for?

The children could then write:

- An account of what they would like to be famous for, and why.
- A diary, written as if the child was famous in the future. How are they feeling? What things do they have to do?
- A newspaper interview, written as if in the future, with the child who is now famous.

2. Description of a New Animal

A good way of asking children to use their descriptive writing skills is to ask them to invent a new animal. Ask them to describe what it looks like, where it lives, what it does, what it eats etc. It might be useful to discuss existing animals and their characteristics beforehand.

- 3. You might have heard the saying, "It's raining cats and dogs." If you could make it rain any two things you wanted, what would you choose?**

- Write about your special rainstorm. What would be falling from the clouds and why?

Draw a picture of it.

4. Revise when we use capital letters by putting the correct words into the correct column:

<https://www.teachingideas.co.uk/sites/default/files/capitallettersorting.pdf>

SPHE:

Water safety is so important at this time of the year. The following website is great way to teach your kids all about it, find 1st/2nd class information and your child can play the games and complete the activities:

<https://www.teachpaws.ie/>

ART

Paper Roll Flower art

- Kitchen Roll
 - Scissors
 - Paint
1. Cut into end of kitchen roll about 1 inch. Keep going around end leaving gap between each cut.
 2. Fold back cardboard to fan out making flower / petal shape.

3. Use different colours to paint each 'petal'
4. Press onto paper 2 or 3 times.
5. Add stem and grass details

SESE

Scholastic learn at home website. Excellent thematic books and online activities.

Easy to access, fun and laid out clearly. Great revision this time of year. Access via Google chrome.

<https://classroommagazines.scholastic.com/support/learnathome.html>

Go to grades 1 and 2. Week 1 day 1 to access information on spiders. Week 1 day 2 to access information on earth science weather. There are lots of days and weeks to discover more from physical science to looking at different communities. We would love to hear which other days you decide to choose.
