

19th August, 2020

To the parents of pupils in our Junior Infant Classes 2020-21,

Dear Parents.,

As a way of welcoming your child to school, we are inviting our Junior Infant pupils into the school for an induction visit on Friday, August 28th.

At this visit your child will have a chance to meet their class teacher, Ms. Kelleher or Ms. Kenefick. They will also meet Ms. Ringrose (Support Teacher) and Mari (SNA) who will work in Ms. Kenefick's room

Children will visit in small groups at a specific time. You will receive a text with the specific time for your child's group shortly.

***Please note the following items:***

- Each child must be accompanied by **one parent** only
- Children can wear their own clothes
- The **parent must wear a mask** when entering the school for the visit
- Please **wait in the car park until your appointed time**. At your appointed time, a member of staff will come to meet you at the gate near the back garden entrance and bring you to the classroom.

We look forward to meeting you on the 28th of August and appreciate your co-operation with the directions laid out above.

Please see a **details of your child's teacher below.**

***Thank you.***

***Finbarr Hurley***

***Principal.***

My new school

My new school is  
called Greenmount.

This is Mrs. Kenefick.

She is my teacher.

This is the yard  
where I will play.

Everyone in my new  
school is excited to  
meet me.
