

Greenmount National School

School Uniform 2021

Lauras Schoolwear has re-opened for business. In line with the present government guidelines, it is our initial intention to offer an **appointment service**. To make an appointment, please ring us or email us at your earliest convenience.

To encourage customers to shop early we will offer a **10% discount** on all items of the Greenmount National school uniform purchased between **Monday June 21st and Wednesday June 30th 2021**.

To ensure a safe working environment we would appreciate adhering to the following recommendations:

- We would appreciate where possible that one parent visits our store with one student.
- Please check the size your child was wearing last term. (Even if this was for another school)

Children in Junior Infants and Senior Infants only require a school tracksuit.

Children from 1st to 6th require a school uniform and school tracksuit.

Lauras Schoolwear,

Unit C1, Dosco Commercial Park, South Douglas Road.
